

## **AN INTERVIEW WITH DARIO**

### **TRANSCRIPT**

- **Where are you from?**

I was born in Manchester. I've lived in Manchester all my life.

- **Where do you live in Manchester?**

I live in the city centre in an apartment with my girlfriend. The area is nice, it is very busy, especially on the weekends.

- **Which school did you go to?**

I went to Saint George's school and my favorite subject was Science.

- **What are you doing at the moment?**

At the moment I'm studying at Manchester University. I'm studying Wildlife Biology.

- **What are your hobbies?**

My hobbies are football, hiking and fly fishing.

- **Where can you practice your hobbies?**

I go trekking in the Peak District and the Lake District, which are nearby. I go fly fishing in the Pennines. I play football for the Manchester University football team. I'm a left winger.

- **What are the best things about Manchester?**

People are very warm and friendly. It's very multicultural and diverse.

- **What is your favourite place in Manchester?**

My favorite place in Manchester is the Trafford Centre. It's a huge shopping complex with indoor skydiving, football and skiing.

- **Who is your favourite celebrity from Manchester?**

My favorite celebrity from Manchester is Noel Gallagher, formerly from Oasis and now in High Flying Birds.

- **What are the most important attractions to visit in the city?**

I would recommend visiting the museums, the Imperial War Museum, Science and Industry Museum and the National Football Museum, Salford quays.

- **Where can you take the best picture in Manchester?**

There's a bar and in the Beetham Tower called Cloud 23 with spectacular views of the city.

- **What is the best month to visit Manchester?**

December is the best month to visit, the Christmas markets are one of the best in Europe and the city comes alive.

- **What is the weather like in Manchester?**

The weather is very dull, it rains a lot. We do have some good sun but it's very unpredictable.

- **What do people do in the summer?**

People in summer usually go on boat trips on the canals, they sit outside of the bars and restaurants. The canals are in the city centre.

- **Does Manchester have good public transportation?**

We have really good transportation, we have trams, buses, trains.

- **How would you define Manchester?**

Multicultural, diverse, open-minded city.

- **Invite people to come and visit the city.**

If you ever have the chance to come to my country, visit Manchester, you won't regret it.
