

EXPLORING AN UK TOWN

The task will have 3 parts:

- A) Investigation- find out about your town and fill in the information sheet. (You can add more information if you want to)
- B) Describing a monument or natural landmark from your town/city: individually or in pairs, students will choose a monument/building from the UK city assigned and will record a video using Chroma talking about their building/monument.
- C) Individual Writing task: Choose an image from an UK town and imagine it is a postcard you are sending home. Write a postcard to your family describing what you see in the picture.
