

ASTING CANADA - MEET LEO

Hi!

I am Leo, from Canada.

I am 11 years old and I live in Toronto with my dad and my sister Emma.

My dad is a cook and a writer. He writes cook books so we often try new dishes and we cook a lot at home!

I love school and I also enjoy exploring and doing lots of different activities. My dad and sister are like that too, so we are always travelling and trying new things!

Come with me to discover things to do and try in Canada!
