

ATRIBUCIÓN DE IMAXES

“Salto con placa”

The image shows a Scratch script for a game. The script includes the following blocks:

- reinicia cronómetro** (purple block)
- asignar saltos a 0** (orange block)
- repetir ata que** (orange loop block, currently empty)
- se** (orange block, currently empty)
- aumenta saltos en 1** (orange block)
- agardar 1000 milisegundos** (orange block)
- anima o texto saltos** (blue block)
- pon o NeoPixel saltos de cor** (blue block)
- cronómetro > 10000** (green block)
- aceleración < 20** (green block)

On the right side of the script, there is a silhouette of a person jumping, with a small yellow rectangle above it and a small circle of yellow dots below it.

Estas son as ordes máis importantes que vas precisar, atévete a combinalas!
