

SPEAKING ACTIVITY: INTRODUCE YOUR NEW CLASSMATES TO THE REST OF THE CLASS

Teacher Instructions

Cut the cards (page 3 and 4 of this document) and let the students pick one.

Each student should have one card and a blank chart (page 2 of this document).

With their card and their chart they'll go around the classroom introducing themselves and asking questions to their partners to know who they are. As they do this, they'll fill in the chart.

Tell them to use the personal questions from the previous activities and the nationalities vocabulary (they can use their notes if needed)

Each student should talk to at least 3 other students.
