

CHRIS, AUSTRALIA

Hi!

I am Chris, and I am Australian.

Did you know people from Australia are also called Aussies?

I am 10 years old and I live in Sidney with my granny, my dad, my sister Mandy and our dog Lennon.

This summer my family and I want to travel around Australia. We love camping, exploring nature and visiting new places. There are lots of beautiful places to visit and explore in my country. There are big cities, cute towns, parks and plenty of nature and wildlife to enjoy.

Do you want to come on holidays with me? Remember my summer is your winter time! Our school summer holidays start around the 15th December and finish at the end of January. See you around, cheerio!
